Joseph Cao for Congress

Congressman Cao, the first Vietnamese American to serve in Congress is from the 2nd district of Louisiana. He defeated nine-term Democratic U.S. Representative William Jefferson in 2008 by a slim margin and will need to work much harder this time around to secure his seat. Due to his unique story and his strong pro-life credentials, Congressman Cao has been able to raise significant donations to aid his campaign. The donors to Congressman Cao are extremely conservative, loyal, and generous. This list would be a great test for any and all candidates!!!
