Clatworthy for Senate Donors

These loyal conservatives helped support businessman **Ray Clatworthy's** bid for the U.S. Senate against incumbent Joe Biden in Delaware. As a U.S. Naval Academy graduate and former officer in the Marine Corps, Ray Clatworthy understands the importance of a strong national defense and fully supports President Bush's anti-terrorism agenda. These donors value economic security and believe that lower taxes and small business development are key elements. The donors are pro-family and believe that improving our education system must be a priority. This list is a must test for any conservative candidates and organizations.
