Ada Fisher for Congress

This file is comprised of donors to Dr. Ada Fisher's Congressional campaign for the 12th district of North Carolina against liberal incumbent, Mel Watt. Her slogan of "Get a Doctor in the House," was the backbone of her campaign, which also included her commitment to immigration reform, a stronger national defense through tighter border security, and making English the official language.

This is a must test for PAC, candidates, and non-profits—especially immigration mailings!!!
