## Steve Lonegan for Governor

Former Bogota Mayor Steve Lonegan ran as the true Conservative in the primary against moderate Chris Christie in the New Jersey gubernatorial race. Although he lost, Steve Lonegan has built quite a reputation as an anti-tax and pro-business type of Republican that we need in office now. The donors to his campaign include not just New Jersey names but also those that are all across our nation. These patriotic donors are hard-core to the bone and want to see “Real Change” in not only New Jersey but in America also! This list is one of the best candidate files on the market currently and is a must test for any PAC or candidate! Please contact Beau for additional counts!!
