Marvin Scott for Senate

Dr. Marvin Scott was the first African-American Conservative Republican to run for the United States Senate from Indiana. He has come out of the gate running hard against liberal Democrat, Senator Evan Byah. Dr. Scott's fearless approach to direct mail copy enabled him to quickly garner a hardcore list of nationwide conservatives who believe that freedom and liberty is truly colorblind and belongs to God-fearing Americans. These donors who supported Dr. Scott are conservative on fiscal, social, and military issues. Dr. Scott is a vocal supporter of President Bush and his policies.
